Hundreds of felt "polishing fingers" easily reach into spaces as small as 2 inches.

Safe for spoked aluminum, chrome, painted & factory coated wheels.

MAG-NIFICENT!

The safe, easy way to remove brake dust, dirt, oxidation, tarnish red clay, water & soap stains, mag chloride/salt corrosion. **Use on:** Uncoated aluminum or chrome for a brilliant mirror-like finish. Also safe for painted and clear-coated mag wheels. Safe on paint and plastic.

The Flitz Buff Ball won't tear like foam. Fits any 3/8-inch drill or air tool. Buffs evenly—no low spots. Buffs at speeds up to 2,500 rpm. Self-cooling.

Won't scorch or burn clearcoat. Plus, the Ball is washable* and reusable.

* Washable Guaranteed ONLY when used exclusively with Flitz products.

ORDER TODAY.
