

CLEAN · POLISH · PROTECT

Gun Ceramic Sealant

Hydrophobic · Nano-Ceramic Technology

Not a wax! Simple-to-use ceramic spray coating gives your firearms, bows or blades a water-resistant, hard-shell finish without adding gloss. Perfect for matte finishes and hard-sided gun cases too! Long-lasting protection in an easy to apply spray!

Safe on:

- ★ Chrome & Brushed Nickel
- ★ Wood & Synthetic Stocks
- ★ Cerakote & Vinyl
- ★ Polymers & Ceramics
- ★ Matte & Blued Finishes
- ★ Oxide & Custom Finishes
- ★ All Man-Made Hard Surfaces

Protects against:

- ★ Dirt & Grime
- ★ Body & Gun Oils
- ★ Moisture
- ★ Powder Residue
- ★ UV Rays

Easy to use:

- ★ Spray on clean surface.
- ★ Work on small area. No need to let dry.
- ★ Wipe & buff with Flitz Microfiber
- ★ Protects up to 8-12 months.
- ★ Results Guaranteed!

For extended firearm storage:

For maximum protection for firearms going into long-term storage, apply a second coat after 48 hours.
