Patented 8-inch no-scratch sleeve extends your reach, protects your fingers and easily fits into tight areas.

100% viscose felt material won't tear like foam. Self-cooling design means ball won't burn surfaces. Thin polishing fins conform to fit into small places – like engine heads and spokes.

SUPER-MINI. SUPER-TOOL.

This tool will help you buff hard-to-reach areas in seconds. Safely & easily. Easily fits in and around engine; perfect for mag or spoked wheels.

The Flitz Buff Ball won't tear like foam. Fits any 3/8-inch drill or air tool. Buffs evenly–no low spots. Buffs at speeds up to 2,500 rpm. Self-cooling. Won't scorch or burn clearcoat. Washable* and reusable.

* Washable Guaranteed ONLY when used exclusively with Flitz products.
